## KIDS FOR KIDS

Charity Ausstellung  
for SANNI FOUNDATION

**Weekend 6. & 7. November 2021 | 11 am – 17 pm**

WALKER Agency | Blaufahnenstrasse 14 | 8001 Zurich

FRÉDÉRIQUE HUTTER art concept is pleased to present the charity exhibition KIDS FOR KIDS in the temporary gallery of the Walker Agency in Zurich's Niederdorf. The exhibition title speaks for itself: Children from Switzerland have created artworks with great commitment, which will be sold for the benefit of the Sanni Foundation for children in India and Myanmar. Frédérique Hutter is committed as an ambassador of the Sanni Foundation and has in the past, with a lot of "joie de vivre", successfully organized [art workshops](#) and exhibitions with orphans in the St. Johns Medical Village in South India and created a [jewelry collection](#). In the process, creative talents were fostered and loving relationships strengthened.

The Sanni Foundation advocates for education, health and fight against poverty where it is needed most. The non-profit organization ensures that children are healthy, educated and able to step into the future on their own feet in the long term. Just 365 francs guarantee healthy food, medicine, education and loving care for one child, for one year.

The proceeds of the exhibition go 100% to the children.
