

EVENING EVENT

Let's talk about pink!

An interactive presentation with artist Nici Jost in the **exhibition Extract II**. (in German)

In a short keynote speech, **Nici Jost** talks about the significance of the colour **pink** and the use of **artificial intelligence** in her work. She provides insight into her practice with the video works Eva and Mika. This will be followed by an open discussion and time for questions.

Wednesday, 25 February 2026,

6.30 pm Doors open

7.00 pm Presentation begins

8.00 pm End and closing remarks

Refreshments will be served.

Please register by 23 February: **[here](#)**
